Item # 3: Other Business/Announcements

a. Scheduling of Board meetings for 2013

Ms. Akiyoshi confirmed the next scheduled meetings for February 25, 2013 and March 25, 2013. The suggestion to hold pre-scheduled meetings beyond the March 25, 2013 date was set aside due to the upcoming legislative session period.

b. 2013 Legislative Session Initiatives

Ms. Akiyoshi summarized the House and Senate bills that are being monitored. Most bills are related to proposed public meeting and meeting notice requirements. There is one Senate bill that ING is monitoring that would increase the mandatory age for judges from 70 years old to 80 years old. This would require increased monitoring of RMDs within the Plan.

c. 2013 Eddy Award Announcements

Ms. Akiyoshi announced that the Plan has been selected as an award finalist for the 2013 Eddy Awards. A nomination was submitted by ING for the recent "Diversification campaign" held at the Benefits Fair. Ms. Akiyoshi asked for a Trustee to attend the Pensions and Investment East Coast Defined Contribution conference in March to accept the award.

Ms. Akiyoshi also added that Vanguard is having a retirement forum in Hawaii on February 14, 2013, and asked if there were any Trustees interested in attending.

One final announcement, Ms. Akiyoshi reported that Schroder informed us that there was a Schroder employee arrested for insider trading. The incident involved the arrest of a few employees for insider trading activities on their personal accounts; however, this does not impact the Plan. Mercer is aware and did not feel there is any negative impact to the Plan.

Chairperson Chu adjourned the meeting at 11:40 a.m.
